Dear Mr Lamb

**BOURNEMOUTH, DORSET AND POOLE MINERAL SITES PLAN  
SWANWORTH QUARRY EXTENSION (PK16) – HYDROGEOLOGICAL RISK  
ASSESSMENT**

Thank you for your email dated the 16 December 2016, which attached the BCL Consultant Hydrogeologists Preliminary Hydrological and Hydrogeological Risk Assessment, Swanworth Quarry Extension (PK16), Worth Matravers, Dorset dated 16th December 2016 (ref: QPL.SSQ.Swth.MPS16.01 F1) for Suttles Stone Quarries.

Having read the above Preliminary Hydrological and Hydrogeological Risk Assessment, we have **no objection** to the proposed site extension being included in the Bournemouth, Dorset and Poole Mineral Sites Allocation Plan. Obviously detailed information and conditions may be required at the planning application stage, but we can discuss that when further details become available.

I hope this information is useful, but please contact me if you have any queries.

Yours sincerely

**Miss Katherine Burt**
